#5. "The Ship of Doom"

Starring ROY STEWART

~~The arrival of the Secret Service saves Lane from attack and prevents the sending of an important code message to European terrorists.~~

The arrival of the Secret Service saves Lane from attack and prevents the sending of an important code message to European terrorists. Jimmy hit by an auto, has presence of mind to throw Lane's "static magnifier" into the recess of a sewer before losing consciousness. A glimpse of Langley's inventor of the glider is shown, first as a boy conceiving the possibility of man flying through space, and as a scientist making practical his ideas.

Taken aboard Marnee's boat by the cloaked man, Jimmy is used to lure Lane aboard the ship. Lane and Ruth are both made prisoners. Jimmy is hurled into the sea, while Lane is hung suspended from the mast-head, and the rope whereby he is suspended ~~and~~ is slashed at by keen knives held in the hands of his deadly enemies.
